Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. I really enjoyed reading your new book and would heartily recommend it. It is a great way to learn the art without spending hours ploughing through the many books out there on the subject. - Richard Osterlind Anyone that is interested in Graphology should definitely pick up this book. - John Lumber Imagine you could ask anyone to write down two simple words yet you could start telling them about themselves from their handwriting almost immediately - even complete strangers! How could you know so much with so little information? With the graphology system outlined in this book designed to be learned in few days, you can be giving interesting yet fun handwriting readings in no time at all - here are some points to consider: * Can be learned over a weekend * Requires only two words to be written down * Can be done for two or more people at the same time * A great ice-breaker or conversation starter * Once you ve learned it, it s almost impossible to forget With the book (and free audiobook from the company site) you also get a set of 10 flash cards - print them off onto index cards and stick them in your back pocket so you can have an instant refresher moment while you re still learning the system. No need for last minutes nerves - a quick look at your flash cards and you can top-up your new found knowledge in a jiffy. The flash cards can be loaded on your phone too so you can keep mobile while you learn! Everyone is interested in themselves, and by using the fun techniques in this unique..
