E-Booktime, LLC, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Do you have Venous Disease? If you have unsightly varicose veins, pain, spider veins, swollen ankles, restless legs, flaking skin, itching, skin color changes, or venous ulcers then this book is a must read. It s not COSMETIC like you think or been told! The author, an industry insider and the Founder of The Center for Venous Disease has useful information for you as a patient. How to choose your doctor? What qualifications should my doctor have? Where should you be treated? Will your insurance pay for it? Which vein ablation technology should I use? What is sclerotherapy? Do all lasers work the same? What role does ultrasound play in diagnostics? What are the complications? What s the success rate? Is there a cure? Venous Disease affects 50-80 million people in the United States and this translates to over \$1 billion dollars in lost employee productivity. After all, how can you stand or sit at work with unhealthy legs, poor circulation, or pressure on the nerves? Take the first step, buy the book for yourself or for a friend and seek treatment from a trained physician in your area. Our doctors offer a fly-in and fly-out program at our CVD offices located in Arizona, New Mexico, or Texas. We ll treat your symptoms and Touch your Heart. James A. Heinz.
