Reviews

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.

HARRY POTTER AND THE SORCERER S STONE

Scholastic US, United States, 1999. Paperback. Book Condition: New. American ed. 190 x 132 mm. Language: English . Brand New Book. Harry Potter has never been the star of a Quidditch team, scoring points while riding a broom far above the ground. He knows no spells, has never helped to hatch a dragon, and has never worn a cloak of invisibility. All he knows is a miserable life with the Dursleys, his horrible aunt and uncle, and their abominable son, Dudley - a great big swollen spoiled bully. Harry's room is a tiny closet at the foot of the stairs, and he hasn't had a birthday party in eleven years. But all that is about to change when a mysterious letter arrives by owl messenger: a letter with an invitation to an incredible place that Harry - and anyone who reads about him - will find unforgettable. For it is there that he finds not only friends, aerial sports, and magic in everything from classes to meals, but a great destiny that's been waiting for him. If Harry can survive the encounter.
