In other books, you'll often find that the most useful information is found in sidebars, tips, and notes. In a Killer Tips book, there's nothing to weed through: it's all sidebars, tips, and notes! Here, Scott Kelby gives you only the best tips and info on Mac OS X Leopard, covering all of the new features, including Time Machine, the revolutionary and completely unique backup system; Spaces, which allows the user to totally customize different window configurations based on their needs; Spotlight, which now allows the user to search across an entire network (not just the user's computer); and much more. Scott Kelby's trademark style-both direct and humorous-is easily accessible to all readers, who will appreciate all the great information here, as well as the book's clear and focused presentation. 427 pp. Deutsch.
