## BETFAIR TRADING: SECRET FORMULA FOR TRADING ON FAVORITE HORSES (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. This is the second book in the Betfair Trading Books which is a series of books on how anyone can make money online everyday at the Betting Exchanges. This book is on how to trade the Favorite Horse at Betfair. I did not copy this from anyone, rather it is the result of thousands of hours spent observing how the Horse race market moves both pre-race and live race. I observed how the Favorite always react during the races and observed one thing to be common. The Favorite always try to win. Note my word, always try to win; this is even if they don t always win. Based on this finding I was able to draw some conclusions which led to the system or method contained in this book. The method works well. The secret is to not be greedy and try to extract only small profits from all the races. Soon the small profits will add up to give you a big amount. Do this daily and see your bank grow well. I hope you get a copy and learn to use the method contained in this book to grow your bank and income.
