It is one of the most popular pdfs. It really is full of knowledge and wisdom. It has been developed in an exceptionally easy way and it is just right after I finished reading through this publication by which it really altered me, altered the way in my opinion.

HOPSCOTCH: OR WHY CHILDREN ARE THE BETTER DAY TRADERS

Trafford Publishing, Canada, 2003. Paperback. Book Condition: New. 198 x 122 mm. Language: English . Brand New Book ***** Print on Demand *****.This book presents you with a new and fresh approach to the usually very technical and boring subject of direct-access trading. The Author s Keep It Simple Stupid approach enables you to learn about the Securities industry and, more important, the life as a professional trader with ease. You receive an entertaining insight on the Author s perspective. To round things up you are introduced to the very strategy that gave this book its name Hopscotch, of which the Author claims that it so easy to apply that even a child could be successful with it. A brief excursion into various other trading strategies and an extensive Appendix with explanations about Technical Analysis and Industry lingo give the book a neat balance between entertaining and educating its reader.
