

101 Things You Didn't Know about Ann Arbor, Michigan: (But Are about to Find Out)

By Horace Martin Woodhouse

Createspace, United States, 2010. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.After you've browsed through this little book, you will better understand why Ann Arbor has a greater quirk quotient than most places. To prove his point, your curious author has dug up bits of esoterica - odd, amusing, and little-known strands that make up the city's variegated fabric. Sure, you live here, but how much do you really know about Ann Arbor? Can you name your hometown football legends, Playboy Magazine playmates, 1960s radicals, NASA astronauts, the local boxer who fought Jack Dempsey, the brainy UM graduate who attempted the perfect crime, or the local girl who flirted with Humphrey Bogart in *The Big Sleep*? Who was the native industrialist who helped build the Panama Canal? Or the Ann Arborite who created the world's largest technology company? How did a border dispute lead to the greatest rivalry in college football? Where is the city's only Frank Lloyd Wright-designed house? What is Ann Arbor's connection to a Presidential assassination? Readers learn the answers to these intriguing questions and much, much more. Fascinating tangents and...

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that I am sure that I will go on to read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
