Civil Coping Mechanisms, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Espinoza s debut is a searing interrogation of the world and the self at once. Here, the body is a fixation-as if to look away from it, even briefly, is to risk having it erased. As such, this is a book of unblinking human preservation, and how we trespass ourselves seeking safer spaces. There is nothing I love more than an honest storm, Espinoza writes. There Should Be Flowers is a storm to ravage and rearrange us from our crushing certainties. This book doesn t need a blurb. It simply needs to be read. -Ocean Vuong, author of Night Sky with Exit Wounds.
