

Berkeley to Beijing: The Journey of a Young Activist (Hardback)

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest eBook i have read during my very own daily life and could be he best eBook for possibly.

(Mitchell Kuhn III)

BERKELEY TO BEIJING: THE JOURNEY OF A YOUNG ACTIVIST (HARDBACK)

iUniverse, United States, 2009. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. I urge you to read this book. It is the remarkable, well-written story of a young girl's coming of age in the midst of the turbulent 1960s-1970s. It is also the untold story of a brave, committed family struggling to stay together while throwing themselves into the heart of Cesar Chavez farm workers movement. -Rev Chris Hartmire, former Director of the California Migrant Ministry Many successful woman leaders have a fascinating story to tell, but few have a story as fascinating and inspiring as Karen's! You'll be blown away by this incredible book about a young girl growing up while navigating both family and political upheaval; traveling to Mao's China with Shirley MacLaine to explore women's liberation; and integrating herself into a boy's physical education class to prove equality required under Title IX was possible. You'll be amazed as you read about how this young girl stood up and fought for her right to determine her own destiny. It will make you want to stand up and fight for yours too! -Susan Davis-Ali, PhD, President, Leadership1, Inc., Author of How to Become Successful Without Becoming a Man In 1973, twelve-year-old Karen Boutilier was invited by Shirley MacLaine to become the youngest member of the First American Women's Friendship Delegation to China. The delegation consisted of eleven women, a four-woman film crew and Karen. The resulting Oscar nominated documentary, The Other Half of the Sky: a China Memoir aired in 1975. This extraordinary life altering experience was preceded by a most unusual childhood. She lived, breathed, and experienced history in a way that exposed her to amazing, fascinating, and sometimes frightening situations. She was...
