

## Eye Rhymes: Sylvia Plath's Art of the Visual (Hardback)

Filesize: 5.47 MB

### ***Reviews***

*This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.*

## EYE RHYMES: SYLVIA PLATH S ART OF THE VISUAL (HARDBACK)

Oxford University Press, United Kingdom, 2007. Hardback. Condition: New. Language: English . Brand New Book. Eye Rhymes brings to light a side of Sylvia Plath that is scarcely known: her serious involvement in the visual arts from a very early age. She moved between art-making and writing constantly, integrating their elements with ease and pleasure. As a child she considered a poem she had written or transcribed to be complete only when illustrated by a picture. As a young teen she recorded technicolor dreams that told complete stories. Her diaries, letters, and school notebooks are full of doodles and self-portraits - all revealing important truths about her. Until her junior year at Smith College, she considered her two favorite disciplines as offering equally promising choices. It was only at the age of 20 that she decided to leave fine art behind her as her chosen career, and opt for the written word. Eye Rhymes presents a magnificent range of Plath s art, most of it seen in print for the first time: childhood sketches, illustrated diaries, portraits, rich modernist and expressionist paintings, fashion images, photographs, and more. The book offers a myriad of new insights into Plath s creative energy, revealing unexpected themes and ideas that first saw light in visual form, to be re-born later in her greatest poetry. Drawing on the large collections of Indiana University s Lilly Library and Smith College s Mortimer Rare Book Room, it presents an in-depth examination of Sylvia Plath s visual art and literary studies, and their uses in her writing career. Kathleen Connors s illuminating account of Plath as artist and writer opens a rich seam of ideas developed further by distinguished Plath scholars Sally Bayley, Christina Britzolakis, Susan Gubar, Langdon Hammer, Fan Jinghua, and Diane Middlebrook. The writers contextualize approximately...
