Ballantine Books, United States, 2005. Paperback. Condition: New. Language: English . Brand New Book. REVISED AND UPDATED 2011 EDITION The essence of adolescence hasn t changed since this book was first published in 2005. Their brains haven t skipped a growth spurt; their search for identity hasn t been called off or even detoured; they haven t forgotten how to speak with the ease of attitude. And yet, fingers fly across keys to a host of new adolescent domains--from texting to iTunes, from chats to anything-on-demand. This update traverses new adolescent territory, both charted and uncharted, to bring parents up-to-speed on what to expect and how to deal. Every teenager keeps secrets, and if you re like most parents, you worry about what your kids don t tell you--especially when they prefer text messages and social networking sites to face-to-face conversation. Now this popular guide has been revised and updated to address the challenges parents face with a wired and Web-savvy generation. Jenifer Lippincott and Robin Deutsch offer a deceptively simple plan for talking to your kids that s based on a simple set of rules: Teens need to stay safe, show respect, and keep in touch--online, and in real life.
