TotalRecall Publications Inc, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.About the Book This fiction thriller is based on the real life experiences of a commercial pilot and gives you an exciting insider view of what it takes to fly a jet while managing crew, passengers--and a terrorist! Captain Mike Rendell started out his workday like all the workdays before - just another normal day of flying. After spending a raucous night partying with his crew, he and his first officer were looking forward to a nice relaxing flight to the West Coast. It all started Saturday 0645 Central Standard Time! Flaps 1, climb power, Mike repeated as he responded to the command of Gary Ellis, his new-hire First Officer. Mike positioned the flap lever from the 5 spot to the 1 spot and retarded the thrust levers to approximately eighty-eight percent of full power. This was the standard after take-off configuration and gave the aircraft its best rate of climb in relation to burning the least amount of fuel. Pacifica Airlines Flight 762 had just departed from Chicago s Midway Airport. On board the Boeing 737 were 137 passengers, three...
