## FINE ART INKJET PRINTING: THE CRAFT AND ART OF THE FINE DIGITAL PRINT (PAPERBACK)

Rocky Nook, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. In an era of digital capture, digital darkrooms, and online galleries, serious photographers still have a deep respect for the photographic print. There is a profound difference between posting your image to a website and printing and sharing your photographic work. For many, the photographic print is the only way to complete the photographic process that begins with the image's capture. In *Fine Art Inkjet Printing: The Craft and the Art of the Fine Digital Print*, photographers learn all they need to know to be able to create beautiful prints worthy of building a print portfolio, selling to clients, or hanging in a home or gallery. Author Jim Nickelson--photographer, master printer, and educator--guides you through the entire process step by step, beginning with the principles of creating a fine print. In *Fine Art Inkjet Printing*, you'll learn all about: - Hardware considerations, including Epson and Canon printers - The color management process, from camera to software (Adobe Lightroom and Photoshop) to your printer's color profiles - The best ways to capture images for maximum post-processing flexibility - Both global and local adjustments in Lightroom and Photoshop - Sharpening and noise reduction for printing - Creating black-and-white conversions for optimal printing results - Soft-proofing - Print settings for both hardware and software - Different paper options, including surfaces, substrates, brightness, color, thickness, and optical brightening agents (OBAs) - Finishing and protecting your print (flattening, drying and outgassing, trimming, signing, and using protective sprays) - Printer maintenance - How to make artistic choices based on intent and interpretation.
