

A Potter s Book

Filesize: 4 MB

Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Juliet Mertz)

A POTTER S BOOK

FABER FABER, United Kingdom, 2012. Paperback. Book Condition: New. 201 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****. I have tried to formulate a criterion by which good pots may be judged. A pot in order to be good should be a genuine expression of life. It implies sincerity on the part of the potter and truth in the conception and execution of the work. Bernard Leach (1887-1979) is generally reckoned to be the father of British studio pottery. Born in Hong Kong, profoundly influenced by both an upbringing and studies in Japan, Leach developed a vision of pottery that interwove art, craft, design and philosophy. In 1920 he co-founded the Leach Pottery in St Ives, Cornwall, and A Potter s Book was first published in 1940. Within these pages Leach communicates his deeply-held convictions, through an account of the standards and materials essential to English slipware, stoneware, Japanese raku and Oriental porcelain. Faber Finds is devoted to restoring to readers a wealth of lost or neglected classics and authors of distinction. The range embraces fiction, non-fiction, the arts and children s books.
