### ***Reviews***

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

## LAUGH OUT LOUD! BABIES

Sharon Irish, United States, 2013. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Hilarious moments from labour, birth and beyond - a collection of true stories and quotes from Parents and other family members or friends who have babies, focusing on: Labour and Birth Doctor s appointments and check-ups Feeding Nappy changing, poo and sick Siblings and other children First Words Other incidents My first book, Laugh Out Loud! Pregnancy dealt with embarrassing and funny moments from Pregnant Women, but the laughs don t end when the baby has been born. This book proves it by sharing experiences and funny moments from Parents, family members and friends who are present during labour and after the baby makes an appearance. You may not think that being in labour can have a funny side, but when you add pain relief into the mix we Ladies can say and do some very strange things when we are under the influence which can be hilarious for the other people present! When we bring the baby home it can be a completely new experience, we learn along the way how to deal with our new addition - usually by our mistakes, especially when we are sleep deprived, the brain just can t cope sometimes and we get ourselves into some situations which others find hilarious, even if we don t! A few snippets from inside: I d had a spinal block because I needed forceps and so couldn t feel anything from the waist down after they had done it. After my Son was born and they were busy wrapping him up and checking him I was looking around and saw some large blue things in the air. I asked my Husband what they were...
