Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.
(Prof. Loyce Runolfsson Jr.)

TINYTOWN

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 396 pages. Dimensions: 8.0in. x 5.0in. x 0.9in. In a dystopian England in the 2050s, people who cannot pay size insurance are shrunk. Here Tom Flack finds himself fighting for the rights of the small. But he has big enemies, including his ex-wife, Vanessa - TVs Tallulah Twinkleplum - and her grotesque brother Lloyd, a fat, sleazy sex pest who loves seared offal flavour snacks soaked in whale oil. Tom also has a third enemy, Lloyds crooked boss Moffat P Perculie. He is a fan of foxhunting and teenage stable girls, is burdened with a wife called Arabella Byng-Boyne and is inordinately proud of a Norman forebear who hid the halibut on the poop deck. The vain villains are fuelled by drink, drugs, greed and perversion. On his travels, Tom discovers exactly what goes on at the illicit shrinexploitation events where shrinkees are made to perform for paying punters. The London of Tinytown is scarred by gang warfare between the Happy Eaters and the Little Chefs, and features 12 new inhabited bridges on the river Thames. As well as people-shrinking, the year 2051 features butt chips - buttock borne implants that people use instead of cash - plus hovercopters and doubledecker cars. The driving narrative features inventive language and savage humour while drugs, sex, plastic surgery, horseboxes and hedgehogs abound. The story also makes serious points and the positing of a world where the big (rich) mistreat growing armies of small (poor) people can be seen as an allegory of the modern world. Some reviewers comments about Tinytown: It is Darby Gallaghers writing style that is the real winner here. The author simply writes so well making the whole book a real page-turner from start to...
