After the apparent suicide of her son, Sara Stafford left her husband in search of a reason to live. He believed the police report that she denied. As her husband plotted to get her back a struggle began when first her new boss and then a government agent tried to romance her. Secrets can destroy you. Plagued by nightmares about the moment her son died, Sara is led by his spirit to uncover the reason for his death and the realization that he worked for the CIA as a mole in a Neo Nazi group who were plotting to sell a new chemical weapon to an Al Qaeda cell, a weapon designed to wipe out the people of Israel. Her son had destroyed the chemical lab and eliminated the chemist; but he failed to destroy the formula before his death. One by one, his CIA contact and the superiors at the agency, as well as a tracker within the Neo Nazi group become desperate in their search for the formula and its sample as...
