New Book ***** Print on Demand *****.An anthology of poetry
and flash fiction dealing with issues faced by teenagers and
young adults in Asian society. Fitting into a new school, early
puberty, society pressures, bullying by teachers and pupils; these
and many other concerns are reflected. The poetry is based on
personal experiences. Many of the stories are set in the 1980s.
The other aim of this book is to encourage teenagers to
appreciate poetry and read more. Flash fiction allows reading
on a regular basis and a sense of achievement as one story per
evening can be completed. The act of reading becomes less
daunting. This anthology gives a strong message to young
adults about standing up to bullies and not letting anything or
anyone get in the way of goals and dreams.
