Faber Music Ltd, United Kingdom, 2007. Paperback. Condition: New. Language: English . Brand New Book. Frank Sinatra was a showbiz legend - famous not just for singing but also for acting, appearing in over 50 films, winning an Academy Award for his portrayal of Maggio in From Here to Eternity. This collection represents three of his most popular and iconic hits. I ve Got You Under My Skin was written by Cole Porter. It became a signature song for Sinatra and was one of the most requested songs at his concerts. The Lady Is a Tramp has become a stand-alone classic for many, not least Sinatra. Recorded in 1979, Sinatra s version of the Theme from New York, New York became one of his most popular closers.
