Dog Ear Publishing, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This textbook was developed as a practical curriculum to present the basics of how to care for a modern dairy cow and how to make her more productive. This book is the heart of the teaching in our Dairy as Business School in Gulu, Uganda. This textbook is also the blueprint for the practices and protocols we expect our research farm known as Gulu Uganda Country dairy in Gulu, Uganda to follow every day. It is our intent that this curriculum present a dairy farm as a genuine business operation that to be successful must follow proven dairy cattle protocols and business practices. It was designed to get beyond theory and present the practical steps to a successful dairy farm. Our hope is that this book will challenge you to adopt these principles as you evaluate your dairy farm or consider starting a new one. Information on this training school and research farm can be seen on Facebook at Gulu Uganda Country Dairy. About the Author Wendell Van Gunst, is an emeritus owner of Country Dairy Inc, a large family owned dairy farm in Michigan, USA. Wendell is a graduate of a 2 year dairy science program at Michigan State University. He recalls always loving dairy cows and started farming with his dad in 1964 with 16 cows growing Country Dairy into the farm it is today. Country Dairy currently milks 1500 Holsteins and farms several thousand acres to produce their feed. Country Dairy is managed today by several family members. The farm has gained notoriety for its Holstein dairy cattle genetics and is unique in bottling its own milk, making cheese and ice cream, and operating its own retail store....
