Brand New Book ***** Print on Demand *****.The economics of freedom are founded on a vision: to create thriving businesses while making essential goods available and affordable to everyone. Society has acquired financial wealth, accumulated knowledge to educate the planet, and distribution power to share goods produced by a business. Capitalism has done wonders for nations, for the successful, but from birth so many are still lacking essentials. As if wealth could not be shared within the system. The ideals of Marxism and Socialism found themselves incompatible with human nature. Where they searched for freedom, they found laziness, inefficiency and counter-incentives. Is sharing bound to remain a philanthropic endeavor in capitalist systems? Is economic freedom deterministically limited to those born in the right place, a distant utopia for the rest? The Mind Share Market explores an alternative capitalistic society: creating hyper-competitive businesses through a hybrid economy of monetary transactions coupled with goods available and affordable to all. Pujol, a practitioner, provides a blueprint to the models of an economy of sharing: ethical subsidies, open source, freemium, and multi-sided markets. In an economy of strength where no one is left behind, freedom becomes attainable to those who choose it. ***** Pujol unearths the secret sauce fueling today s dot com darlings and shows how these business models can be applied to virtually any industry -- Apruva Pratap, vice president of Global Strategy, InterContinental Hotels Group For anyone new to free versus paid business strategies, not reading this book would be like jumping out of an airplane without a parachute -- Marc Fleury, founder of JBoss and OpenRemote Pujol presents a radical way of looking at pre-sales: Marketing is fragile unless it is productive. Marketers can gain...
