Createspace. Paperback. Condition: New. Chaz DeSimone (illustrator). This item is printed on demand. 416 pages. The second edition of The Frugal Book Promoter is an updated version of the multi award-winning first edition. It has been expanded to include simple ways to promote books using newer technology, always considering promotion and marketing techniques that are easy on the pocketbook and frugal of time. It also includes a multitude of ways for authors and publishers to promote the so-called hard-to-promote genres. The award-winning author of poetry and fiction draws on a lifetime of experience in journalism, public relations, retailing, marketing, and the marketing of her own books to give authors the basics they need for do-it-yourself promotion and fun, effective approaches that havent been stirred and warmed over, techniques that will rocket their books to bestselling lists. Youll also learn to write media releases, query letters and a knock em dead media kit--all tools that help an author find a publisher and sell their book once its in print. We all know that book promotion (and life!) has changed since The Frugal Book Promoter was first published in 2004--particularly in ways that have to do with the Web, but in other ways, too. As an example, the publishing world in general is more open to indie publishing now than it was then. So, this update but includes lots of information on ways to promote that were not around or were in their infancy a few short years ago. So here is what is new: There is new information in this expanded and updated edition that answers questions like these: What is Carolyns simplified method for making social networks actually work--without spending too much time away from my writingHow can I avoid falling into some of the scam-traps for authors How can...
